# DR ONG KIAN CHUNG MBBS, MRCP( UK ), FRCP (Edin), FCCP ( USA ), FAMS SPECIALIST

After completing his basic medical education (MBBS) at the National University of Singapore in 1987, Dr Ong was accepted as a member of the Royal College of Physicians (MRCP) in the United Kingdom in 1993 and subsequently completed his specialist training in Respiratory Medicine at the Singapore General Hospital.

In 1996 and 1997, Dr Ong was a Fellow in the Department of Pulmonary and Critical Care Medicine, Stanford University Medical Center, USA, and was also a visiting clinical and research Fellow in the Stanford Sleep Disorders Clinic and Research Center, USA. Dr Ong has been a Fellow of the Royal College of Physicians (FRCP) in Edinburgh since 2002. He is also a Fellow of the American College of Chest Physicians (ACCP).

Among Dr Ong's clinical achievements are the establishment of novel treatment modalities such as Pulmonary Rehabilitation, Noninvasive Ventilation and Hospital-at-Home Programmes for patients with chronic respiratory disorders in Singapore. His research interests include Sleep-related Breathing Disorders, Pulmonary Function and Exercise Testing, and Disease Management in Chronic Obstructive Pulmonary Disease.

He is the principal author of more than 30 publications in national and international peer-reviewed medical journals such as CHEST, European Respiratory Journal and American Journal of Respiratory & Critical Care Medicine, and regularly presents his research findings at major scientific congresses.

He is a reviewer for the journals CHEST, Respirology Singapore Medical Journal and the Singapore Family Physician, and was the past Editor of the Medical Digest.

Dr Ong is the founding President and current vice-president of the Chronic Obstructive Pulmonary Disease Association (Singapore) ([www.copdas.com](http://www.copdas.com)) and is recognized by the Global Initiative for Chronic Obstructive Lung Disease (GOLD) as the National Leader in Singapore ([www.goldcopd.com](http://www.goldcopd.com)).

Presently, he is in private specialist practice at the KC Ong Chest & Medical Clinic, Mount Elizabeth Medical Centre, Singapore.
